## PRESS RELEASE

### FMX STARS AT EASTER ARENA CROSS

Two of the worlds finest exponents of Freestyle Motorcross will be at Mildura's Easter Arena Cross event, both as competitors in the racing, but will also put on a FMX display during the interval session, with what will be a fine display of their great aerial skills.

Cameron Sinclair and Blake "Bilko" Williams, who are two of Australia's finest, will be in town to "enjoy the Mildura Easter Power Sports weekend, which they have heard so much about", said Sinclair, when speaking to Mildura Club Secretary, Brendon Gledhill, earlier this week.

Always the "rev heads," both Cameron and Bilko were coming to soak up some great motor sport atmosphere and thought that they might throw the bikes in as well, as they are being joined by two of Australia's very serious motorcross riders in the Mosig brothers, Kade and Chase, who will also line up in the Saturday night ArenaX under lights at Olympic Park.

Both Mosig boys are already in the top half of the field in both the Pro Lite and Pro Open classes after round one of the 2010 MX Nationals, held at Horsham just last weekend, so they will bring some serious form to the Mildura ArenaX event. Both Kade and Chase have had some fine National and International results in their sport over recent times and Kade is particularly looking forward to re-acquainting himself with the Olympic Park circuit, under lights on a balmy Mildura evening.

Some excellent entries are being received for the ArenaX, so Sunraysia fans and their visitors to town will enjoy a spectacular event on Saturday night.

All four lads are looking forward to riding at Mildura and then getting down to some socializing at the Mildura 100 Ski race on the next day. They have friends who will race the Mildura 100, so will be part of a large contingent who will spend their Easter in Mildura, filling the town with motorsports fans.

Sinclair, just last weekend, was doing his "back flip" specialty, on the arena at the MCG as part of the pre-game entertainment prior to the Hawthorn – Melbourne AFL game held at the "G" last Saturday afternoon.

Both Sinclair and Williams have concentrated on the Freestyle part of the sport even though they are both good Motorcross and ArenaX competitors. They will ride Mildura "just for FUN".

It will be wonderful to have these FMX stars in town to be part of the ArenaX event, which is now such a strong section in the Easter Power Sports promotion, a promotion now which extends into the second week with the Mildura Harness racing Club joining in with their excellent one horsepower attraction straight after Easter.
